Spending overview/plan:

We are planning to use most the year 5 funding to develop dance within the curriculum. Our ongoing self-review process of the PE, physical activity and school sport programme will highlight other focus areas where the funding can be utilised. These will be added and the document updated on a half termly basis. Initial ideas include the following:

1. Employing dance instructor to deliver a weekly session alongside class teams.
2. Subscriptions to interactive dance resources. These will be used by teachers across school and will support the establishment of a dance club.
3. Upskilling staff to allow sustainability of dance within curriculum.
4. Purchasing dance resources to support all dance themed sessions/lessons.
5. Attending inter school dance events within Surrey.
